March 1st, 2019 | By Jenn Mikitka

Join us for our FREE Annual Shred-it Event!

Need to securely dispose of your old, confidential documents? We can help!

As a thank you to our customers and communities, we are pleased to provide a FREE 3-hour Shred-it event at each of our Pittsburgh stores*. Stop by to safely and securely dispose of your unwanted documents, while also helping the environment!

A couple of important notes:

- At this year's event, we are kindly asking that you provide a voluntary cash or school supply donation to benefit [The Education Partnership](#), a nonprofit organization dedicated to providing critical school supplies to local children in need. All donations will go directly to The Education Partnership!
- Just a reminder that we pay for these events as a thank you to our communities. To ensure that we are able to serve the most people, there is a limit of 5 banker's boxes (or the equivalent) per person. We will gladly shred more for you during the last hour of the event if there is space remaining in the shredding truck.
- Please be careful to remove any binder clips prior to shredding. Paper clips, staples

and window envelopes are safe to shred.

About Shred-it:

Shred-it is the world's leading document destruction and recycling company. They pride themselves on being reliable, convenient, and most importantly, secure. Their secure document shredding process not only protects your security needs but also helps the environment. After your sensitive material is collected, shredded and baled, all shredded material is then recycled.
